

Introduction

Long Bay Services, Inc [LBS] is pleased to offer its record of experience for future facility management and commercial cleaning services for your consideration.

LBS is an expansion of Long Bay Management Company, who has established a solid record of accomplishments in providing quality real estate management and services to its customers.

The firm has a historical commitment to community service and a strong track record of investing and patterning with minority and majority owned businesses.

In fact, Long Bay Management made history when it formed a strategic alliance with The Gale Company to build One Lincoln Street, a 1 million square foot development project in downtown Boston

Long Bay Services is looking forward to working with you and we appreciate having the opportunity to submit our qualifications for review.
